

MESSAGE FROM OUR PRESIDENT & CEO

We celebrated our 40th year of Granting Magical Wishes for young Texans with life-threatening medical conditions with a bang! 2022 was truly a year of reaching new plateaus, setting new records, and celebrating **77 amazing Wish kids** who received their one true wish ... thanks to you!

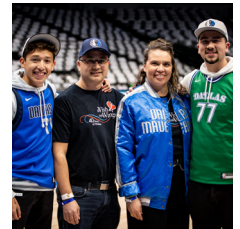

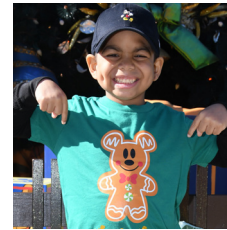

In fact, with your support during 2022, we granted a **record number of 77 wishes**... up from the previous record of 66 wishes granted in 2021. That means over the past 40 years, we have served more than 1,800 Magical Wishes to some mighty amazing Wish Kids and their families!

And, with your continued support, a Wish with Wings will continue to enrich the lives of these children during 2023 and beyond. We trust that you will find it in your heart to continue your support in every way possible. And we pledge to always be accountable, not only to you, but also to the children and families we serve, with the hope that you will continue to consider us worthy of your gifts. Your gift today is more than a Magical Wish.

It's a child's promise that tomorrow just might hold something very magical ... Hope, Joy and Happiness.

With thanks and gratitude for your friendship, encouragement and support.

MEET NATHAN

Thirteen-year-old Nathan was born with Down Syndrome and diagnosed with Acute Lymphoblastic Leukemia in 2016. Nathan's social worker at Cook Children's referred him to a Wish with Wings to grant his one true wish. He has now completed his course of treatment, is attending school, is healthy and well. Although he is non-verbal, Nathan loves to communicate through play and music, and enjoys listening to up-beat music and playing on swing sets. His family knew exactly what Nathan would enjoy for his Wish, and when they presented the idea to us we knew the man for this job. The family requested an enclosed patio complete with a swing and some sensory toys so that Nathan could enjoy swinging and playing all year long without worrying about the weather. One of a Wish with Wings' heroes, John Hoover who has previously helped us with a sensory patio for another wish child, stepped up to the plate when we presented him with Nathan's wish request. Two and a half years later, Nathan's enclosed

sensory patio is now complete. It's filled with swings, tables, board games, and more! This would not have been possible without the two men at the head of Nathan's wish, John Hoover and Kelly Bradbury.

If you would like to know more about sponsoring a special wish, contact Clarissa@awww.org
